Dear Mr. Ceto:

**TRANSMITTAL OF SAMPLING AND ANALYSIS PLAN (SAP) FOR WASTE
DISPOSITION OF K EAST BASIN WALL AND FLOOR SURFACE REMOVAL RESIDUE**

Enclosed for your review and approval is a copy of the SAP for the 105 K East Basin Wall and Floor Surface Removal Residue, SNF-18703, Rev 1. The enclosed SAP addresses the required data to support disposal of the waste to the Environmental Restoration Disposal Facility (ERDF).

A draft copy of the SAP has previously been provided to Larry Gadbois, of your staff, and the enclosed document has incorporated changes resulting from the comments received. We appreciate the time your staff has taken to provide input early in the process.

If you have any questions, please contact me, or your staff may contact Larry Earley, Office of the Assistant Manager for the Central Plateau, on (509) 373-9309.

Sincerely,

Betty L. Hallom
